General Business

(Item LTC1/26) Beaumaris Street, Enfield - Changes to Parking Restrictions

File No: 25/52736

Summary

To assist with access and pick-up drop off at Enfield Public School, Burwood Council is proposing to implement 1/4P restrictions during school zone periods along a 64m section of Beaumaris Street.

TfNSW Comment

A post-implementation parking review is recommended to assess the effectiveness of the proposed changes. A review of aerial photo and Google Street View indicates that parking occupancy along Beaumaris Street is moderate. The proposed restrictions may have an impact on parking availability.

It was also observed that vehicles frequently park adjacent to the speed hump fronting 35 Beaumaris Street. Given the local road environment and the introduction of the new pick-up and drop-off zone, it is recommended that Council consider implementing parking restrictions in the vicinity of the speed hump to facilitate safer vehicle movements.

Council Response

Noted

Recommendation

That the General Manager under delegation approves the conversion of 64 metres of unrestricted parking along the Enfield Public School frontage to '1/4P 8am-9:30am, 2:30pm-4pm School Days Only'.
